the Warsaw School of Management
- Focus France – Anna Katarzyna Nietyksza Cloud Community Europe
- 10:00 – 11:00 PANEL 1: Technology. „Solutions for III generation of cybersecurity”
moderator Dr. Marek Lipniowiecki - Polska Grupa Zbrojeniowa
- Cyber intelligence – Intelligence in cyberspace - dr. Tamara Rud COSMO.IQ
- system RaDark KELA GROUP CERT for recognition of cyber attack vectors –
Maciej Kemono OUTSEC
third-generation certified cyber security audits – European Institute for Cyber
Intelligence
- backup satellite network – an essential part of the cybersecurity – Rajmund
Leoniak TTcomm S.A.
- 11:00 – 11:30 COFFEE BREAK
Outside the building: display of the MUCHA UAV – drone for emergency
responding and mass events – UAVS Krzysztof Śmierdziak
- 11:30 – 13:15 PANEL 2: Experts’ panel
moderator Dr. Krzysztof Gawkowski – Polish Institute for Cybersecurity
academic oversight Professor Paweł Soroka – Warsaw School of Management
Participants:
dr. Piotr Witkowski – Maria Curie Skłodowska University in Lublin
dr. Joanna Antczak – War Studies University, Department of Management
and Command
Grzegorz Smogorzewski – Department of Tax Administration in Warsaw
Col. Dr. Andrzej Wystalski
Andrzej Goszczycki – RAW Cyber & Intelligence
Jolanta Cichosz – Jan Kochanowski University in Kielce
dr. Michał Kurek - KPMG partner, Team Leader, Cybersecurity Team
Otylia Bieniek - War Studies University
Grzegorz Mąkosa – University of Warsaw

- 11:30 – 12:30 PANEL 1: Technology. „Solutions for III generation of cybersecurity”, cont.
- network cryptographic systems - Piotr Hepner ADVA
- System Phoenix RTOS – Paweł Pisarczyk Atende Software
- MABIT MAGEN 100 - a system for capturing data from telecommunications devices for intelligence, security services – BOSON ARMS
- Cybertraining for the cyberarmy – Paweł Franka VTCYBER
- 12:30 – 13:15 PANEL 3: Cybersecurity of the Central Polish Airport
moderator Dr. Piotr Kotelnicki
dr. Zbigniew Siemieniecki - War Studies University, Department of Management and Command
dr. Władysław Leśnikowski - War Studies University, Department of Management and Command
Piotr Kubicki – Development Director, WaveNet Group
- 12:30 – 14:00 PANEL 2: Experts’ panel, cont.
- 14:00 – 15:00 PANEL 4: Education as an essential part of cybersecurity - debate
moderator prof. Edward M Halizak
- Vector Synergy – CDeX training platform
Maciej Górski – The role of human element and their training
- Panelists:
dr. Magdalena Marucha-Jaworska – an expert on the New Technologies Law for the Polish Parliament
podins. Rafał Zatara – Head of the Department of Cybercrime, Warsaw Police Department
dr. Aleksandra Wojtynek - Country Manager Cloud Community Europe Polska
Rajmund Leoniak – TTcomm S.A
- 15:00 – 15:30 CLOSING SESSION
Concluding remarks – prof. Paweł Soroka, dr. Tamara Rud.
